## **Sports Physicals Needed**

**Please take time over the summer to make an appointment with your child's physician to complete a sports physical. Any student wishing to participate on any athletic team MUST have a sports physical prior to the first day of practice. Sports physicals must be updated yearly and turned into the athletic director on the first day of practice. Please be sure to make your appointment today!**

***Cape Hatteras Secondary School has a FaceBook page that is up-to-date with all announcements and information. Please take a moment to “like” our page.***

Summer Slide

During the summer months, students forget valuable information and skills. Here are some helpful resources to help your child maintain skills over the summer.

- Your child may access a free reading library online by logging into [www.myON.com](http://www.myON.com). The username will be your child's PowerSchool ID # and the password is reading.
- Another helpful way to help students review over the summer, is to have students take time daily to log into Study Island to review.
- Finally, students may review any subject content matter by logging into the Learning Express Library to access online tests and content review. Review information can be readily accessed with a library card number at either [www.earlibrary.org](http://www.earlibrary.org) or [www.NCLive.org](http://www.NCLive.org). Review for math and reading is particularly useful, as it provides a quick review while focusing on building essential skills.

In order to help avoid the "summer slide", please have students log into either Study Island or NC LIVE in order to review daily.
